

Synap Document Viewer

To help you get off to a great start, here are a couple of resources that should come in handy.

- You can experience the demo and request a free 30-day trial in this website: <http://www.synapdocviewer.com/>
A Commercial License can be also purchased at this page. Find the pricing that fits your project and request the invoice.
- Your journey with Synap Document Viewer has to start with the AWS Marketplace: <https://aws.amazon.com/marketplace/>
Creating an AWS Instance is required before you request the license code for activating Synap Document Viewer.
- We have a customer support team who are here to help you get the most from Synapsoft.
They'll be in touch soon, but you can also reach them by email at support@synapdocviewer.com.

Thank you so much for being our customers.
